

CZAR LEAVES  
FOR FINLANDWill See the Conditions at  
First Hand

## IN THIS DISTURBED LAND

Breaking Up to Political Meetings on  
Wednesday Constitutes a New  
Grievance Against  
Russia.London, Sept. 16.—A despatch from  
St. Petersburg says that the Czar left  
this morning for Finland to remain two  
days.

## FINLAND THOROUGHLY AROUSED.

Breaking Up of Political Meeting by  
Troops Causes Indignation.

St. Petersburg, Sept. 16.—The breaking  
up by troops Wednesday at Helsinki  
of a meeting of eight hundred dele-  
gates from all towns in Finland, called  
for the purpose of discussing the po-  
litical situation, has aroused great in-  
dignation throughout Finland. The  
meeting was an orderly one and was  
composed of representatives from all  
the cities and towns in Finland. Many  
of the best citizens, and even ladies,  
were in attendance. The action of the  
government in dispersing the gathering  
has fanned the dissatisfaction felt by  
the Finnish people, which yesterday even  
went so far as to bring forth threats  
to throw a bomb at the governor gen-  
eral, since John Obolensky. The dis-  
bandment of the last battalion of the  
guards by the Russian authorities has  
proved to be unpopular, and since the  
dispersal of the meeting of delegates  
Thursday this has been taken up as an  
additional grievance against Russia.

## BANK PRESIDENT ARRESTED.

Charged With Misappropriating Two  
Small Notes.

Burlington, Sept. 16.—A. J. Ferris of  
Swanton and Boston, Mass., president  
of the People's National Bank of that  
village at the time when it went into  
the hands of a receiver, August 19,  
1904, was arrested yesterday by  
Deputy United States Marshal Thomas  
Reeves of this city and brought here  
before George E. Johnson, clerk of the  
United States court, in the forenoon.  
He was charged with misappropriating  
two notes of the bank, both signed by  
F. H. Mead, one for \$306.88 and one for  
\$414. It is claimed that Mr. Ferris  
made false entries on the books, credit-  
ing himself with the money. It is al-  
leged that this was done September 20,  
1902. It is further claimed that Mr.  
Ferris made an incorrect report to the  
controller of the currency.

D. G. Furman of Swanton appeared  
for Mr. Ferris and the respondent was  
bound over in the sum of \$2,000 to ap-  
pear in United States court.

Mr. Ferris left here later for Bos-  
ton with his family, where he usually  
passes the winter. He is in poor health  
and declares that he has not long to live.

## SAVED BUT FEW EFFECTS.

Fire Destroyed Quarters of Men at Fort  
Hamilton.

New York, Sept. 16.—Fire shortly  
after one o'clock this morning destroyed  
five barracks buildings at Fort Ham-  
ilton in Brooklyn, sending the members  
of the 23rd company of United States  
coast artillery commanded by Lieut. E.  
L. Gilmer, from their quarters in such  
haste they were able to save but few  
of their effects.

## DROP "TAINTED MONEY."

American Board Votes to Table All Res-  
olutions on It.

Seattle, Wash., Sept. 16.—By a vote  
of 46 to 10 the American board of for-  
eign missions, at the Congregational  
church has decided to table all resolu-  
tions on the subject of "tainted money."  
Dr. Gladden made a long speech in favor  
of his resolution on the subject.

## EVADED HEALTH OFFICERS.

Party of Italians from Louisiana Arrive  
in Chicago.

Chicago, Sept. 16.—Several Italians,  
supposed to be infected with yellow fe-  
ver, arrived at the union passenger sta-  
tion last night and evaded a health offi-  
cer, who was at the train to meet  
them. The Italians came from Tallulah,  
La.

## NEW TRACK RECORD.

Mark of 2:10½ at Fair Haven Track  
Yesterday.

Fair Haven, Sept. 16.—The closing day  
of the Fair Haven fair was attended  
by about 5,000 people. There were two  
races on the card, the 2:35 class and  
the free-for-all. The track record, 2:14,  
was broken in the latter race by Albert,  
owned by Spencer of Greenwich, N. Y.,  
who trotted the first heat in 2:10½.  
The 2:35 was won in straight heats  
by Wild Wave. Two automobiles were  
on the track ready to race, but one of  
them went bad and the race was off.  
The fair this year was a big success.  
Thursday's attendance was estimated  
at 1,700.

## END OF TRAGIC ROMANCE.

Young Woman Suicide Was Concerned  
in Scandal.

Boston, Sept. 16.—What is probably  
the last chapter in the tragic romance  
of Alfred T. Pickard, once a prominent  
and prosperous electrical contractor, and  
his stenographer, for whom he left his  
wife and business only to end his life  
early in the year at the Roxford, was  
written in the morgue at New York  
yesterday, when Lorenzo D. Berry of  
Medford identified as his daughter the  
young woman who, on Wednesday, killed  
herself under the name of "A. W.  
Willey of Washington," at the Hotel  
Manhattan.

For her death the father blames  
the publicity that followed the break  
between Pickard and his wife in July,  
1904, and the charges made against his  
daughter at that time. He will take  
the body to Medford for burial.

The first trouble of Pickard and Miss  
Berry became public in the summer of  
a year ago, when, leaving a letter to  
the effect that he could no longer live  
without her, Pickard left Boston, taking  
with him \$8,000 in cash, representing  
what he had received from the sale  
of his business to a syndicate, which  
turned the concern over to a corpora-  
tion. Mrs. Berry gave the letter to the  
press, and the next day Miss Berry ap-  
peared and denied that there was any  
truth in the charges. Then both parties  
dropped out of sight.

Some time later Pickard returned  
East and was sent to a sanitarium, from  
which he was released early in the  
present year. Again he disappeared for  
a while, only to return to Boston in the  
early summer and attempt a reconcilia-  
tion with his wife. He then made his  
home at the Roxford, and sent for the  
woman to meet him there. She called,  
but declined to go into his room with  
him, as she feared harm, and, after a  
few days, went on her way.

The next morning the body of Pick-  
ard was found in his room, he having  
shot himself through the head in the  
night. There was little doubt at that  
time in the minds of Mrs. Pickard or  
the police that the man intended to  
induce her to go to her room and there  
kill her and himself.

## "NAN PATTERSON" EGGED

Jersey Audience Refused to Accept  
Stout Woman as Flordora Girl.

Freehold, N. J., Sept. 16.—"Nan Pat-  
terson" was billed to appear at the  
head of a vaudeville troupe consisting  
of eleven persons here last night, and  
there was a large audience in the the-  
atre when the curtain went up, all ex-  
pecting to get a glimpse of the woman  
who was tried for the murder of Caesar  
Young.

As the show progressed and "Nan"  
did not appear, the audience became un-  
ruly, and there were repeated calls for  
"Nan Patterson" from the gallery. Fi-  
nally the manager introduced a woman  
whom he said was "Nan Patterson," but  
the crowd hissed him, and there was a  
shower of eggs for the woman. The  
people in the audience knew what the  
Patterson woman looked like, and when  
the manager introduced a short, stout  
woman as "Nan" they would not have it.

The shower of eggs broke up the show  
and although the police were called in  
they were powerless to quell the dis-  
turbance. The curtain was finally run  
down. More eggs greeted the members  
of the troupe when they came out of  
the theatre to go to their hotel. The  
troupe left town this morning.

## REPUTATION WAS "VERY BAD."

Testimony of Globe Trotter Regarding  
Plaintiff in Slander Case.

Burlington, Sept. 16.—Public interest  
continues to be shown in the \$5,000  
slander suit of Girard vs. Prior on trial  
in Chittenden county. The principal  
witness for the defence yesterday was  
L. J. A. Miller of Montreal, a "globe  
trotter." He testified that the reputa-  
tion of Girard as a man and priest was  
"very bad."

The purpose of the defense is to prove  
Girard as an impostor.

It then developed that Mr. Miller  
offered his services to Mrs. Prior's coun-  
sel after the conversation with Father  
Girard's counsel. He said he had not  
been in the states for 14 years, but had  
lived in Montreal all that time.

The next witness was Rev. Peter  
Chaney, a Syrian priest of Notre Dame  
Cathedral, Montreal. He testified that  
Father Girard had a bad reputation as  
a man and priest. He said he once ob-  
tained a letter from Girard's archbishop  
against Father Girard which he read  
from his pulpit. He said Father Girard  
sued him for slander.

Rev. P. J. Barrett testified to the  
details of searching Father Girard's be-  
longings for the stolen articles from  
St. Mary's, an event which took place  
in the tea store after the detention of  
the man on the street. Father Girard  
made no resistance.

## TRIAL BEGINS WEDNESDAY

Of Soldier Charged With Murder of Bur-  
lington Policeman.

Burlington, Sept. 16.—Judge Has-  
selt announced in Chittenden county  
court yesterday that the trial of Ben-  
jamin Williams, charged with the murder  
of Policeman McGrath in May of 1904  
would be begun Wednesday afternoon  
next week at two o'clock. The state  
will be represented by Clark M. Pitts  
of Brattleboro, attorney general, and  
State's Attorney A. L. Sherman. Wil-  
liams will be defended by J. E. Cush-  
man and H. B. Shaw.

The court directed State's Attorney  
Sherman yesterday to issue an order to  
have Williams brought back to Bur-  
lington from Waterbury, and the pris-  
oner will be behind the bars of Chittenden  
county jail in a few days. What  
the defence will be is not known. The  
statement filed with the county court is  
to the mental condition of Williams and  
is not made public at this time. It may  
be inferred, however, he is able to stand  
trial now and a date has been really  
fixed.

RECEIVED  
BY FRIENDSBody of Late Mayor Patrick  
A. Collins in Boston.

## TAKEN TO BRIGHTON HOME

Thousands of Messages of Condolence  
Have Been Received, Among Them  
One from Irish  
Leaders.

Boston, Sept. 16.—The body of the  
late Mayor Collins arrived eighteen min-  
utes past seven on the Federal express.  
Many friends gathered at the station  
to pay their tribute of respect. The  
body was removed to the Mayor's home  
on Corey road, Brighton.

Already thousands of messages of con-  
dolence have been received from all parts  
of the world, and they include not only  
those of heads of empires and nations,  
but also friends and co-workers in the  
cause of humanity who had come to  
know Gen. Collins during his many years  
of work in behalf of a down-trodden  
country.

The following cable message has been  
received by the national secretary of  
the United Irish League of America,  
from John Edmund M. F., leader, John  
Dillon and Joseph Devlin, members of  
the Irish party, expressing the deep re-  
gret of the Irish party as well as the  
national directory of the United Irish  
League of Ireland at the death of Mayor  
P. A. Collins:

"Dublin, Sept. 15, 1905.

"In the name of the Irish party and  
of the national directory of the United  
Irish League, we tender the municipal-  
ity of Boston the expression of our sin-  
cere condolence at the loss which the  
city has sustained by the death of your  
distinguished mayor. We tender to the  
American people our profound regret at  
the death of a distinguished citizen and  
great public leader, and we desire to  
place on record in common with the  
Irish race at home and abroad that we  
feel the deep blow that has been struck  
at all Irish interests in America by  
the death of one who has ever been a  
powerful friend of Ireland in every time  
of stress and danger. Pray convey to  
his family the expression of our re-  
spectful condolences.

"JOHN EDMUND,  
"JOHN DILLON,  
"JOSEPH DEVLIN."

## COLLINS' FUNERAL MONDAY.

Services to Be Held in Largest Roman  
Catholic Church in Boston.

Boston, Sept. 16.—The funeral of  
Mayor Patrick A. Collins will be held  
Monday. Unless there is a change in  
the wishes of the family the body will  
not lie in state though the funeral ex-  
ercises may be public. It is probable  
the services will be held at the Roman  
Catholic Cathedral of the Holy Cross,  
the largest edifice of that denomination  
in Boston.

Daniel A. Whelton, chairman of the  
board of aldermen, who by the provision  
of the city charter, assumes the duties  
of mayor, took the oath of office at  
noon yesterday. Whelton will be legal-  
ly known as "acting mayor" and will  
serve until a successor to Mayor Collins  
is selected at the regular election in  
December.

## BOUGHT IT AS A CLUB.

Is Defence in Bennington Liquor Case  
Heard Yesterday.

Bennington, Sept. 16.—After a hear-  
ing in municipal court completed at six  
o'clock last night, Joseph Bell Otto, an  
Italian, charged with selling beer with-  
out a license, was held in \$600 bail to  
await the action of the grand jury.  
State's Attorney Wm. R. Daley and vil-  
lage Attorney Wm. J. Meagher prose-  
cuted. J. K. Batchelder and O. M. Bar-  
ber appeared for the defendant.

The state claimed Bell Otto furnished  
beer to Italians employed by the Ben-  
nington Gas Company and the Rutland  
Railroad and received money or checks  
valued as money in return. The de-  
fense was that the beer was ordered by  
many Italians clothing together in one  
order and each paid for his share, the  
beer being shipped from Troy, N. Y., in  
Bell Otto's name. Many Italians were  
on the witness stand and an interpreter  
was employed.

## AGAINST SUNDAY LAW.

Bennington Men Want to Hunt on Sun-  
day.

Bennington, Sept. 15.—The Benning-  
ton County Fish and Game League, an  
organization of about 200 men whose  
sole purpose is to protect and promote  
game in Vermont, at a meeting last  
night denounced the law passed by the  
last session of the legislature forbidding  
hunting on Sunday and asked for its  
repeal at the next session of the legisla-  
ture.

William H. Bradford, president of the  
club, who was recently fined for hunting  
on Sunday, resigned. R. S. Drysdale  
was elected his successor and O. M. Bar-  
ber vice-president.

Nearly all Bennington hunters are  
litter against the law and endorse the  
action of the club.

## Snow-fall in Adirondacks.

Plattsburgh, Sept. 16.—The first snow  
of the season in northern New York fell  
at Paul Smith's, Meacham lake, upper  
Chateaugay lake, and other points in  
the Adirondacks yesterday. There was  
not enough to whiten the ground.

THREE CARS  
OVERTURNEDTwo Persons Killed and Thirty  
Injured Today

## AT KIMMEL, INDIANA

Passenger Train Tried to Pass Switch  
Engine Which Protruded Partly  
Over Main Line  
Track.

Chicago, Sept. 16.—Two men were  
killed and a number of persons were in-  
jured early this morning at Kimmel, In-  
diana, by an east bound passenger train  
on the Baltimore and Ohio railroad run-  
ning into a switch engine that protruded  
partly on the main track. Three coaches  
of the passenger train were overturned.

The engineer of the passenger train  
and the baggage man were killed. It is  
reported that thirty persons were injured.

## LIKE A RUSSIAN PRISON.

Is Chittenden County Jail, Says the  
Grand Jury.

Burlington, Sept. 16.—The grand jury  
of Chittenden county court reported  
yesterday afternoon after being in ses-  
sion since a week ago Wednesday. They  
reported 25 true bills and 6 not found.

As to the county jail, they reported they  
found that in a shameful condition. There  
are 10 cells in the men's department  
now occupied by 24 men and the sheriff  
reported there had been times when  
there were 36 male prisoners. There are  
20 beds in the cells now occupied by the  
24 men. In the women's department  
there are five cells occupied at present  
by two women and three men. There are  
no accommodations for the sick, and no  
place where the young may be con-  
fined, they being obliged to associate  
with the hardened and vicious. The  
report concludes with the statement  
that words severe enough cannot be  
found to condemn such a building, and  
they make the suggestion that those  
in sympathy with the bad condition of  
Russian prisons would find work in the  
same line here in Burlington, Vt. The  
report says the jail is kept as well  
and as clean as can be under the cir-  
cumstances.

## VERMONT HORSE A "RINGER."

Advancer, Owned by Chase of Brandon,  
in Question.

Milwaukee, Sept. 16.—Representations  
having been made that Advancer, the  
horse entered by L. N. Chase, represent-  
ing the Forest Park farm at Brandon,  
Vt., for the \$5,000 2:21 trot here on  
Thursday is a "ringer," it was announ-  
ced yesterday that the purse would not  
be distributed until the identity of the  
winner was established definitely. It  
was stated that Advancer campaigned  
several years ago as Major Chew and  
has a record of 2:14½.

Denies "Ringer" Story.  
Boston, Sept. 16.—Forest Park farm  
in Brandon, Vt., was called by telephone  
last night and it was learned from  
Mrs. Chase that advancer, who is charg-  
ed with being a "ringer," is a six year  
old horse and has never been entered  
in a race until this season. He was  
driven in some ice races the past win-  
ter, but has never been put on the  
track until this season.

## MAY COME OUT EVEN.

Rutland County Fair Had Good Attend-  
ance Yesterday.

Rutland, Sept. 16.—The annual fair  
of the Rutland County Agricultural so-  
ciety which began Tuesday, was brought  
to a successful close yesterday afternoon  
with a good last day attendance. In  
consideration of the big crowd Thurs-  
day the management believed that an  
average attendance yesterday would  
mean that the society would come out  
even financially on this year's fair.  
There are some old debts remaining un-  
paid, however. The races were the  
only special attraction for the day.

## AN EXPLANATION COMING.

Expected There Will be no Government  
Interference with Nicaragua.

Washington, Sept. 16.—Developments  
make it unnecessary for any United  
States official to proceed to Central  
America to ascertain the facts connected with  
Alber's arrest and imprisonment. Infor-  
mation is said to be on its way to Min-  
ister Merry, which will throw full light  
on the case, and, beside, Mr. Bluhaker,  
who was sent by the Port Limon com-  
pany to defend its representative in  
Nicaragua, is believed to be already in  
communication with his client and thus  
the necessity for governmental inter-  
vention in the case will disappear.

## HIS JAW FRACTURED.

Middlebury Man Struck by Cross-bar of  
Threshing Machine.

Middlebury, Sept. 16.—The belt slipped  
off the drive wheel of C. O'Brien's  
threshing machine Thursday, which he  
was operating at the Mill's farm, and  
while attempting to apply the brakes,  
Mr. O'Brien was struck by the cross  
bar across the mouth. Five teeth were  
knocked out and a piece broken from  
his jaw bone. He was taken to this  
village and his injuries dressed.

## HER DEATH A SHOCK.

Mrs. Fred H. Smith of Randolph Was  
Popular Woman.

Randolph, Sept. 16.—The sudden death  
of Mrs. Fred H. Smith, which occurred  
at the Smith home, just south of this  
village, yesterday, was a shock to the  
entire community. Although Mrs. Smith  
had not been in the best of health for  
the past few weeks, her condition was  
not considered as serious, as she had  
not been confined to the bed until the  
night before her death. Mrs. Smith,  
who was 35 years old, was a very popu-  
lar lady in this town and the bereaved  
family have the sympathy of the en-  
tire community.

She leaves, besides her husband, four  
children, Fred, Ruth, Clarabel and Flo-  
rence, and she is also survived by one  
sister, Mrs. Fred E. DuBois, a brother,  
William Dudley of Middleboro, Mass.,  
and her parents, Mr. and Mrs. Levi Dud-  
ley of this town.

## FIREBUG'S WORK.

Barns of John Young, With Contents,  
Destroyed by Fire.

Randolph, Sept. 16.—There was a fire  
in the east part of this town, near the  
Tunbridge line, Thursday morning, when  
the barn on the John Young farm, which  
has been carried on by Frank Young,  
was burned to the ground at two o'clock  
in the morning. The cause of the fire  
is not known, but is thought to have  
been the work of an incendiary. The  
Young family retired shortly after eight  
o'clock, leaving everything as usual and  
awakened after the fire broke out. Nine  
cows, four hogs, the entire hay crop and  
a good share of the farming tools were  
burned. This is the third fire in this  
town this year that has had an incen-  
diary origin.

## RAILROAD SUES.

Claims Damages From Owners of a  
Steamer.

Swanton, Sept. 16.—The Canada At-  
lantic railway has brought action against  
the owner of the steamer Nicaragua  
which wrecked the railroad bridge over  
the Soulanges canal. Damages are  
placed at \$10,000. No through trains  
from Ottawa have run into Swanton  
since the accident. The wreckage has  
been cleared so that the big fleet of  
grain laden boats which accumulated  
above the break, began moving yester-  
day and it is expected train traffic will  
be resumed in a few days.

## BOY BADLY HURT.

Arthur Currier Had Foot Crushed, Run  
Over by Team.

Arthur, the son of Theodore Currier,  
was quite badly injured this morning  
by being run over by a heavily-loaded  
team near Brown's Mills, three miles  
from Montpelier. The little fellow was  
riding with Adolph Bean and was amu-  
sing himself by jumping on and off the  
wagon. When jumping off he became  
entangled and fell under one of the  
rear wheels, which passed over the foot,  
crushing it badly. The lad was taken  
to Montpelier this forenoon, and the  
attending physician was unable to tell  
just how severely he was injured, be-  
cause the foot was swollen.

No blame attaches to Mr. Bean, the  
driver of the team, because he did not  
know what was transpiring back of him.

## THE BAPTIST MISSION.

Branch Among Italian Residents to Be-  
gin Erection of Church.

Work on the erection of the new  
church for the Baptist mission among  
the Italian residents of the city will be  
started this fall. At a meeting of the  
building committee, the Rev. A. B.  
Belloni, W. A. Kinzie and G. C. Lam-  
son, it was decided to go ahead with  
the work at once. Dr. Trumbull of the  
American Baptist Home Mission society  
was present at the last meeting of the  
building committee. It is said that all  
but \$500 or \$600 of the \$8,500 neces-  
sary is now available for the work.  
Mayor Barclay has been asked to act  
as treasurer of the committee and Geo.  
B. Milne as an advisory member.

## MILDLY HAZED.

Two Goddard Students Run Streets  
Most Naked.

Two youths, both mostly in Nature's  
garments, attracted attention this fore-  
noon by chasing themselves up and down  
Main street. Their bare legs and arms  
swinging rhythmically, their breath com-  
ing in short pants, and their attire still  
shorter, they looked to be candidates  
for the asylum, or escaped prisoners  
therefrom. But they weren't; they were  
Goddard "students" out for a sprint  
in conventional costume.

It might be added that they were new  
students being put through a course of  
"sprouts" by the older students. A  
large delegation was out to witness the  
performance and see that it was done  
properly.
